- 3.3 Clubs may register up to 3 bench officials per participating team. Only those bench officials may sit on the official team bench during matches being played by that team.

3.4 Any additions to the team registration sheets and/or bench officials must be logged with the Organising Committee and Competition Referee half an hour prior to the start of the tournament. Additional registrations or alterations will not be accepted once the whole tournament has commenced.

4. *STRUCTURE OF THE COMPETITION*

4.1 The Junior Club Tournament will be contested between as many teams as shall be determined by Swiss Netball per age category (see 2: Qualifications and Eligibility).

4.2 The Junior Club Tournament shall consist of placement matches for each age category with the ranking of teams established on a point score basis, followed by finals for each age category.

4.3 Where there are five (5) or fewer teams playing in an age category, placement matches will be played between all teams, i.e. each team will play each of the other teams in its age category.

4.4 Where there are six (6) or more teams playing in an age category, a draw will take place in advance of the tournament to order the teams into a list. Each team will play placement matches against the two (2) teams listed above and the two (2) teams listed below it, i.e. a total of four (4) placement matches.

4.5 Teams will be awarded points for placement matches as follows:

- 5 points for a win
- 3 points for a draw
- 1 point for more than 50 per cent of the winners' score
- 0 points for a loss

4.6 The Junior Club tournament competition tables will be compiled on the basis of the points awarded to each team (Rule 4.5). Where two teams are level on points:

- Goal average (goals for divided by goals against) shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the competition stage shall take precedence.
- In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.

- In the event that the goal difference result does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence.
- In the event that neither goal average nor goal difference nor goals scored can differentiate between the teams, the winner will be decided with extra time process between the teams as outlined below for Placement Matches/ Finals.
- N.B. Where one of the teams has its goal average, goal difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of both teams level on points. For example, in the event that one team received 5 points for a conceded fixture, then the goals scored by and against both teams level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated.

4.7 Placement Matches: in the event of a tie the draw will stand.

4.8 Finals will be played by the two teams ranked first and second in the competition tables for each age category following placement matches.

4.9 Finals procedure for extra time where a winner is required:

4.9.1 There shall be a two (2) minute interval at the end of full time. During this interval, substitutions and/or team changes may be made swiftly;

4.9.2 Extra time of two (2) halves of two (2) minutes each will be played, changing over at half time without a break. Teams shall change ends at half-time. Substitutions will not be allowed at this point. The Centre Pass is taken by the team entitled to the next Centre Pass;

4.9.3 During extra time, normal injury or illness procedures shall apply (refer Rule 6.4).

4.9.4 In the event of a tie at the end of extra time, a visual signal shall be used to indicate that play shall continue until one team has a two (2) goal advantage.

5. *FIXTURE ARRANGEMENTS*

5.1 Matches will be played wherever possible on a court with adequate surrounds and surface and with ancillary facilities for participants, including changing and showering facilities for

teams and officials, unless otherwise agreed by the Swiss Netball. (If this is not possible all officials and teams will be made aware before arrival.)

- 5.2 Swiss Netball is responsible for arranging the venue.
- 5.3 It is the responsibility of the Organising Committee to conduct a risk assessment for the tournament in advance.
- 5.4 For all 'incidents' on or off the court, an Accident Report must be duly completed by the Organising Committee(s) using the Accident Report sheet held at the Competition Referee's desk. A copy shall be provided to the Swiss Netball Committee along with the results sheet. This procedure will be followed for ALL injuries and accidents, regardless of whether or not medical treatment is given.
- 5.5 The Organising Committee(s) must provide the Order of Play for teams and the umpires with confirmation in writing of the date, its start time, and travel directions (including post code) a minimum of ten (10) days prior to the date of the event.
- 5.6 Clubs will be responsible for arranging their own travel, at their own expense, and should allow sufficient travelling time to cover any unexpected delays. All teams are advised to arrive at the event location 30 minutes prior to the agreed registration time.
- 5.7 **Start of Play and Late Arrivals**
- Captains must toss for centre pass well before the start of each game and notify the umpires and scorers of the result.
 - All teams must be on court, in position and ready to play, at the time and on the court as stated in the playing schedule.
 - No team may start a game with less than five (5) players.
 - Any team not on court as noted above prior will concede the match. 0 points will be awarded to the team conceding the match.
 - In this instance the team waiting on court in position and ready to play at the correct time will be awarded a win (5 points).
 - The Umpires must record on the Score Card, the name and arrival time of the team who arrived late.

5.8 In the event that a match is abandoned for any reason, e.g. due to serious injury, the result of that match will be determined by the Competition Referee with consideration for the score at the time play was suspended.

6. MATCH REGULATIONS

6.1 All matches shall be played to the International Netball Federation (INF) Rules of the Game in force on the day of the tournament, except where specific tournament regulations may apply.

6.2 Central timing will be used, but matches will start and finish on the Umpire's whistle.

6.3 All matches will comprise two halves with a break at half time and change over times after matches. Timing will be determined by the Organising Committee and communicated in advance with the schedule.

6.4 In the event of time and venue constraints the Organising Committee may adapt the match schedule and timings to fit the day.

6.5 Central timers will commence timing when the game is started by a hooter or similar device.

6.6 The Central Timers will signal the end of each period of play to the Umpire by a hooter or similar device.

6.7 An Umpire's whistle shall start and stop the game and signal the end of each half of the game.

6.8 Play will be stopped when instructed by the Umpire by signalling appropriately and blowing his/her whistle. To resume play, the Umpire shall blow the whistle.

6.9 A warning will be given before play is due to commence prior to the start of each match.

6.10 Substitutes and Teams Changes

6.10.1 Play may be stopped if the Umpire deems it necessary, but ONLY injured or ill players may be substituted during a game owing to the short length of games. No other changes can be made at this time by either side.

6.10.2 During half time, substitutions/team changes may be made by both teams providing they take place promptly.

6.10.3 No extra time will be allowed for injury or illness.

6.10.4 Should the First Aider or Umpire feel that a player's injury is critical i.e. head, neck or back and she will be better left on court for medical attention, the Officials should note the time lost during treatment and report to the Competition Referee who will adjudicate (most netball injuries i.e. knee, ankle etc. fall outside this exemption clause).

6.11 Balls and Bibs

6.11.1 Each team must provide a size five (5) netball, which must be clearly marked for identification purposes.

6.11.2 All players must wear positional bibs and teams must have a spare set in a different colour in case of a clash of colours.

6.11.3 In the event of a clash of colours, a toss of a coin between the two captains will decide which team retains their original colours.

7. MATCH OFFICIALS AND TECHNICAL OFFICIALS

7.1 Match Officials

7.1.1 The Match Officials are the umpires

7.1.2 Umpires who actively hold a Netball Europe C Award or above will be sought to officiate at the event.

7.1.3 On entry to the competition, each team must identify from within their club or from another club, a named umpire per team entered holding at least a C Award. Swiss Netball Members are strongly encouraged to support each other with umpiring duties where there is a need.

7.1.4 The Organising Committee will assign umpires to all matches and will ensure that umpires of the highest available standard are assigned to the finals for each age category. A conflict of interest may be disregarded when assigning umpires if a substitute umpire of the appropriate standard is not available. A conflict of interest shall for this purpose, be the following:

(ii) the umpire is a member of, or is an appointed coach for a Club competing in the relevant.

7.1.5 In the event that an umpire fails to arrive, or is injured or taken ill during a match, the following procedure will be applied:

- Failing that, the next best-qualified umpire should be used.

7.2 Technical Officials

7.2.1 Technical Officials are Timekeepers and Scorers

7.2.2 Two scorers will be required for each match.

7.2.3 Scorers will be required for all matches and will stand together opposite the centre of the court.

7.2.4 Each team entered must provide a competent scorer.

8. *REGISTRATION OF RESULTS*

8.1 After each match, the Scorecard must be checked and signed by the scorers and both team's coaches.

8.2 Once the official Scorecard has been signed no dispute can be logged.

8.3 If the final score is not in agreement then the process outlined in paragraphs **10.1-10.3** should be followed.

9. *COMPETITION REFEREE*

- 9.4 In the event of a player suspension, or if a player is ordered to leave the court and take no further part in the game, the Competition Referee will ensure that the Player Suspension and Sending Off Report form annexed to these Regulations is completed by both umpires at the end of the Competition.
