1st January 2023

Rules

Europe Netball has adopted World Netball Anti-Doping Rules <https://netball.sport/wp-content/uploads/2020/12/INF-2021-Anti-Doping-Rules-.pdf> which are based on WADA Anti-doping Code 2021. Some countries will have their own Anti-Doping Policy. Countries that do not have their own Policy must follow Europe Netball Policy.

Participation at Europe Netball Events

Europe Netball is committed to all anti-doping activities and supports the efforts of the World Anti-Doping Agency (WADA) and the World Netball to maintain the "Play True" principles in all countries and sports. Europe Netball will take all necessary steps to ensure that its Members observe the World Netball Rules which incorporated WADA Code 2021, International Standards, policies, rules and sanctions.

To be eligible for participation in Europe Netball events, a competitor must have been registered by her National Netball Association and be compliant with either National Netball Association Anti-doping Policy or World Netball Rules. In addition, she must have personally signed the agreement below. All agreements from under-age applicants must be counter-signed by their legal guardians.

Each National Netball Association must guarantee that all athletes registered accept the Europe Netball Anti-Doping Rules, based on World Netball Anti-Doping Rules, as part of the entry requirements for events, or their countries own AD Policy. It is the responsibility of each National Netball Association to ensure that all Testing on the National Netball Association's Athletes complies with these Anti-Doping Rules.
