Swiss Netball U15 National League

RULES AND REGULATIONS

1. INTRODUCTION

The creation of the U15 Junior National League is a strategy that was birthed out of the need to have more competitive matches to lift the standard of play in Switzerland amongst the younger age groups while building a smooth transition up the ladder to the Swiss Netball National League.

In line with Objective 2 of Swiss Netball Strategy to increase competitive opportunities across all age groups, it is envisaged that this will create more interest in athletes for the sport as more competition drives training and therefore improves the standard of play and quality of athletes who would represent Switzerland in this age group's competitions.

Furthermore, the introduction of the Junior National League is also seen as an opportunity to promote and encourage Netball as a game in Switzerland hence creating more visibility for Swiss Netball.

The success of this initiative will see the roll out of the program to younger age groups in the future.

2. ORGANISATION AND ADMINISTRATION

- 2.1** The League will be named the Swiss Netball U15 National Junior League, hereafter referred to as "The U15 League". The Swiss Netball Committee reserves the right to modify the U15 League name as required, at any time, for marketing purposes and / or to reflect the name of a sponsor.
- 2.2** The U15 League and all rights and properties associated with it shall be owned, controlled and managed by Swiss Netball or through its nominee(s), which may delegate powers and authority in this respect to any sub-committee or individual(s), hereafter known as the Organising Committee.
- 2.3** The decisions of Swiss Netball, or its nominee(s), in respect of these rules and regulations and on any other matter related to the U15 League, which is not provided for below, shall be considered final and binding on all parties.
- 2.4** It is the responsibility of all Netball Club team managers, coaches, captains and officials to ensure that they, and all participants under their responsibility participating in the U15 League, are conversant with these rules and regulations and by entering a team, the Netball Club and its players agree to be bound by them.
- 2.5** U15 League dates: for the purposes of these rules and regulations and unless otherwise determined by the Swiss Netball Committee, the U15 League shall run annually from 1 September to 31 May of the following year. All matches must be completed by 31 May.

3. QUALIFICATIONS AND ENTRY

3.1 Entry to the U15 League shall be accepted by any Netball Club which is a Member of Swiss Netball and which is up-to-date in the payment of its annual membership fees. Membership fees are due by 31 January each year (Article 14 of the Swiss Netball Statutes). Any Netball Club owing money to Swiss Netball is ineligible to participate in the U15 League until all monies owed have been paid in full.

3.2 Entry to the U15 League will be determined by the Swiss Netball Committee or the delegated Organising Committee, at its absolute discretion, subject to its reasonable application of the rules and regulations laid out herein and having due regard to the playing standard of teams which wish to participate. In the same way, any vacancies that may appear from time to time will be addressed by the Organising Committee in whatever way it sees fit.

3.3 Age and Gender Requirements

3.3.1 All players must be female and under the age of 15 years and over the age of 12 years as at 23:59 on 31st December immediately prior to the start of the Swiss Netball U15 League playing season. All players should carry proof of age to be shown upon request.

- 3.7.3** Additional players can be added to the team registration sheets during the year by registering a player at least 7 days in advance of the next scheduled match. Any new player will be required to be an Individual Member of Swiss Netball (see **3.4.1** above) and affiliated to their stated Netball Club.
- 3.7.4** Netball Clubs may enter multiple teams in the League, and players are only allowed to play for one team during the year. There will be no allowance for a player(s) from one squad team registration list to play for another team.
- 3.7.5** If a team is reduced to 7 players or less through illness or injury supported by a medical certificate or under extreme circumstances (this will need to be demonstrated) a team may use one or more (as needed) of their registered Club squad players. Confirmation in writing (email is the preferred method) is to be sent to operations@swissnetball.ch together with supporting documentation. The Swiss Netball Committee reserves the right to restrict the number of entries in future years should it be deemed that the number of League entries exceeds capacity.
- 3.7.6** Clubs may only register up to twelve (12) players per team for each match entered and only players affiliated to a Netball Club can play for that team. The names of the twelve (12) players must appear on the relevant team registration sheet and scorecard form for each match, which must be submitted to operations@swissnetball.ch 7 days in advance of the League match dates. Failure to do so will result in the match being forfeited and awarded as a win to the non-cancelling team (see point 6.2). An exception may be granted in the event of force majeure.

5. MATCH REGULATIONS

- 5.1. All matches shall be played to the World Netball Rules of the Game currently in force at the time, except where specific U15 League rules and regulations may apply: <https://netball.sport/game/the-rules-of-netball>
- 5.2 No team may start a game with less than five players. If a team cannot field at least five players, it will forfeit the match (see 6.2). For the avoidance of doubt, if it is clear to the Swiss Netball Committee representative that a team has been unable, by the end of the league round to field 5 players to play a match in accordance with this regulation, that team will be deemed to have forfeited.
- 5.3. There will be no allowance for re-scheduling of matches. If a team is unable to take the court at the scheduled time for any reason, the match will be deemed to have been forfeited by that team (see 6.2).

5.4 Match Timings

- 5.4.1 Matches will consist of four quarters, each quarter of fifteen minutes, and there will be an interval of four minutes between the first-second and third-fourth quarters, and a half-time interval of eight minutes.
- 5.4.2 A technical official will signal the commencement of timing as well as the end of each quarter to the umpires.

5.5 Match Stoppages

- 5.5.1 In extreme circumstances and in consultation with the Swiss Netball Committee representative, the umpire may decide to abandon a match, for example, following a serious injury, if the safety of players and/or officials is considered to be at risk. In this instance, Swiss Netball would allow this match to be

re-played at a later date. Swiss Netball accepts most Netball injuries i.e., knee, ankle etc., fall outside this exemption clause.

5.5.2 An Accident / Incident Report must be duly completed by the team concerned for any accident or incident, on or off the court, using the Accident/Incident Report form annexed to this document. A copy shall be provided to the Swiss Netball Committee along with the team registration and scorecard within 3 days of the match. This procedure will be followed for all injuries and accidents, regardless of whether medical treatment is given immediately after the end of the match and send via email to operations@swissnetball.ch or text +41.76.668.3051.

5.5.3 If a player is suspended from a match or ordered to leave the court and take no further part in the match, that player and her coach / captain will be required to file an incident report (annexed) immediately after the end of the match and send via email to operations@swissnetball.ch or text +41.76.668.3051.

5.5.3.1 In the event of a player suspension, or if a player is ordered to leave the court and take no further part in the match, both umpires are required to complete the Player Suspension and Sending Off Report form (annexed) immediately after the end of the match and send via email to operations@swissnetball.ch or text +41.76.668.3051.

5.6 Balls and Bibs

5.6.1 The home team must provide at least two size five (5) netballs for the match.

5.6.2 In the event of a clash of colours of positional bibs, the home team takes precedence.

5.7 Players are reminded that they may not wear anything that could endanger themselves or other players. Before the start of each match, captains must ensure that all their players have removed all jewellery, including friendship bands on wrists and ankles, and all earrings and studs on any part of the body (entire ear, nose, etc.). Without exception no taping of ears is accepted.

6. U15 LEAGUE SCORING

6.1 The League competition tables will be compiled based on points awarded to each team as follows:

- 5 points for a win
- 3 points for a draw
- 2 points if within 5 goals of the winner's score, (i.e., 2 points will be awarded for a result of 25–21, whereas 1 point will be awarded for a result of 25–20)
- 1 point for scoring more than 50 per cent of the winner's score
- 0 points for 50 per cent goals or less of the winner's score

6.2 Should a team have to forfeit a match; this will be recorded as a loss with 0 points awarded. The opposing team will be awarded a 15-0 win and 5 points.

6.3 To determine the winners of the U15 League divisions where two or more teams are level on points:

6.3.1 Goal average (goals for divided by goals against) shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the competition stage shall take precedence.

- 6.3.2** In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.
- 6.3.3** In the event that the goal difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence.
- 6.3.4** In the event that neither goal average nor goal difference nor goals scored can differentiate between the teams; aggregate score in the previous matches between the two teams will determine the winner; if the winner is still undetermined, away goals of their two matches will count as double points. If still undetermined the two teams will share the title of winner of that U15 League division for the relevant year.
- 6.3.5** Where one of the teams has its goal average, goal difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of the team's level on points. For example, if one team received 5 points for a conceded fixture, then the goals scored by and against all team's level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated.

7. REGISTRATION OF RESULTS

- 7.1** Both participating teams in a match are required to complete one official Swiss Netball score sheet (annexed) at the end of their match, using the team registration and score sheet template available from the Swiss Netball Committee.
- 7.2** The Swiss Netball score sheet for each match must be checked and signed by both technical officials, both Netball Club coaches and both umpires. Once the official score sheet has been signed no dispute can be logged.
- 7.2.1** In the event of any discrepancy where the technical officials, umpires and teams cannot agree on the score, both teams will forfeit the match and no points will be awarded and 15 goals against will be registered to both teams.
- 7.3** The duly completed scoresheet must be submitted by the home team within 24 hours of the match via email to operations@swissnetball.ch and communications@swissnetball.ch. Failure to do so may result in the home team forfeiting the match. Both teams must text the final score to +41.76 668 30 51 within 2 hours of the end of the match.

- 8.1.3** Umpires should be non-playing and umpire arrangements must be made in advance.
- 8.1.4** In the event that an umpire fails to arrive, or is injured or taken ill during a match, the following procedure will be applied: if another umpire of the appropriate standard is available then they may umpire the match. Failing that, the next best-qualified umpire may be used. If the two teams cannot agree on an alternative, the team with no umpire will forfeit the match and this will be recorded as a loss. How to score Odds and Evens game

1. Once the *coin toss* has been taken by the team captains before the game begins and the team taking the first Centre Pass has been decided:
 - a. Enter 'E' for EVENS in the 1st Quarter Centre Pass box to the team who is taking the first centre pass
 - b. Enter 'O' for ODDS in the 1st Quarter Centre Pass box to the opposing team
2. **Once play begins, strike out the existing number after a team scores a goal. At the end of each quarter circle the current score and enter into the relevant quarter box.**
3. To calculate which team should take the next centre pass, add the scores together e.g., 5 + 9 = 14 which is an even number so the next centre pass would go to the 'EVENS' team.
4. **Enter an 'E' or 'O' for the appropriate team with the first centre pass at the start of each of the 2nd, 3rd and 4th quarters (leaving the opposing team box blank). Visually check with the umpires to confirm the correct centre pass is indicated / being taken at the beginning of each quarter.**
