The U21 2023 National Squad programme will run from April – September 2023 working towards the Europe Netball Championships in October 2023. There will be a summer training programme available to everyone during July and August 2023.

Selection and registration

The deadline for submission of nominations is Sunday 5 March 2023

Swiss Netball invites its Member Netball Centres (schools and clubs) to pre-select and nominate athletes born **IN OR AFTER 2002** who are not already in the National Squad and who wish to trial for a place in the U21 Squad. If an athlete trials and is selected for the U21 squad and then wishes to trial for the Senior Squad, they may do so in June 2023.

All athletes currently part of the National Squad and who wish to be part of the U21 Squad will be considered if eligible.

We want to underline that all athletes are trialling for a place in the U21 Swiss National Squad. **Expectations are high.** Please note that athletes who have been involved in Swiss Netball squads or past teams will not gain automatic entry. Trials can be stressful for athletes, so we would ask Netball Centres to provide adequate advance preparation and support, to manage expectations realistically, and to only put athletes forward whom you believe meet the standards required.

To be eligible for the Swiss National Squad, athletes must:

- 1) Be born in Switzerland or have at least one parent or grandparent born in Switzerland; or
- 2) Be a Swiss National (hold a CH passport); or,
- 3) Have been resident in Switzerland for 2 years or more

Proof of eligibility will be required and must be provided when requested.

Swiss Netball reserves the right to consider exceptional athletes who will become eligible in a forthcoming season provided there is a commitment to the Squad in the long-term.

NB In any such cases, the athlete will be able to train and participate in match play, but will not be able to represent Switzerland in an official (Europe Netball) team until they meet the eligibility criteria.

Each Netball Centre should send the appropriate form with all the names of their nominated athletes to attend the trials to teammanager@swissnetball.ch

Netball Member Centres should:

- 1. Complete and return the nomination form with the name of each nominated athlete.**
Commitment to trial is imperative once nominated.
- 2. Ensure all nominated athletes hold a Swiss Netball licence (CHF 30.-) for the 2022-23 season and pay the CHF 100.- trial fee.** Swiss Netball will not reimburse any athlete their individual licence fee or their trial fee should they not attend trials.
- 3. Ensure all nominated athletes read, sign and return the Player Code of Conduct form and Squad Expectations,** which should be used to help all trialists to understand some of the commitments involved and the standards expected of all those selected.
 - Netball Centres should coordinate communications related to nominations directly with Swiss Netball
 - No nominations will be accepted from individual athletes/parents unless the athlete is not a member of a Netball Centre
 - Netball Centres nominating multiple athletes should send all of the information requested, at the same time, in one email

Nominated athletes must:

1. Hold a Swiss Netball licence for the 2022-23 season. It is important that all athlete information is correct and is kept up-to-date in Eventene as this information will be used for the trials and for later events as and when required. Trial information will be sent to the email address used when registering for the Swiss Netball licence. Please note that only one email address can be saved in the system.
2. If selected, agree to enrol and pay the Swiss Netball **2023-24 Swiss licence fee** when due. www.swissnetball.ch top right, Member registration (**CHF 30.- for the 2023-24 season**).

Information on Related Financial Commitments

The financial commitments related to the National Squad Performance Programme are as follows:

- A trial fee of CHF 100.- for each trialist
- An annual fee for each athlete selected into the Programme
- Competition entry fees for athletes selected into a representative team

The Annual Fee for the U21 Squad is CHF 600.- (April-September 2023). At least a deposit must be settled immediately when an athlete accepts her place in the Programme and before any training commences. No Squad announcement will be made until all this has been done.

No refunds will be given if an athlete withdraws or is de-selected from the Programme.

The **Annual Programme fee** covers costs associated with:

- Travel expenses for Coaches
- Accommodation
- Coaches
- Venue hire
- Team Manager
- Training top
- Swiss Netball overhead allocation
- Online activities
- Equipment, First Aid and any other additional expenses

Competition Entry Fees:

Athletes selected onto a representative team will need to pay competition entry fees in addition to the Annual Programme fee. The costs of these competitions will be divided among the selected athletes and fees will cover, amongst other things, costs for:

- Kit
- Accommodation
- Travel
- Food
- Competition entry/umpires
- Coaches, Primary Carer and Team Manager

Approximate estimation of the competition fee paid by each athlete is between CHF 1600.- and CHF 2000.-

The total tour fee is dependent on length of competition, destination, etc. By agreeing to be part of the Programme, the athlete is agreeing to pay these fees if selected. Athletes are encouraged to individually approach their local club, commune or canton for assistance with these costs and to endeavour to fundraise at local level before competition to help reduce the individual financial burden.

Swiss Netball recommends that athletes are adequately insured in case of not being able to attend competition at the last minute (e.g. in the event of illness or injury) so that they can claim back associated costs from their own insurance.

Financial hardship assistance

Swiss Netball understands that our athletes or their families may experience financial difficulty from time to time. As such, the Committee has worked to put aside a small amount of funding each year to support elite athletes to cover the Programme and Competition fee (National Squad and representative teams). The amount is very limited and will be allotted at the discretion of a sub-group of the Committee upon the receipt of applications from interested player (or parents in the case of minors).
