SWISS NETBALL NATIONAL LEAGUES

RULES AND REGULATIONS

1. INTRODUCTION

Swiss Netball currently offers the Swiss Netball National League (consisting of two (2) divisions) and the U15 Junior National League hereafter collectively referred to as “the Leagues”. The Swiss Netball Committee reserves the right to modify the Leagues names as required, at any time, for marketing purposes and / or to reflect the name of a sponsor.

2. ORGANISATION AND ADMINISTRATION

2.1. Leagues Dates

For the purposes of these rules and regulations and unless otherwise determined by the Swiss Netball Committee, the Leagues shall run annually from 1st September to 30th June of the following year.

2.2. The Leagues and all rights and properties associated with them shall be owned, controlled and managed by Swiss Netball or through its nominee(s), which may delegate powers and authority in this respect to any sub-committee or individual(s), hereafter known as “the Organising Committee”.

2.3. The decisions of Swiss Netball, or its nominee(s), in respect of these rules and regulations and on any other matter related to the League, which is not provided for below, shall be considered final and binding on all parties.

2.4. It is the responsibility of all Netball Club team managers, coaches, captains and officials to ensure that they, and all participants under their responsibility participating in the League, are conversant with these rules and regulations and by entering a team, the Netball Club and its players agree to be bound by them.

2.5. The Swiss Netball National League Divisions

The league consists of two (2) divisions: Matterhorn and Monte Rosa. The Matterhorn division predominantly features teams with a strong track record of competition wins at Swiss Netball tournaments. Teams featuring three or more current representatives of the Swiss Netball National Squad must play in the Matterhorn division unless the team has ranked bottom of the table and has been subjected to a relegation from the Matterhorn Division.

The Monte Rosa division is open to all other teams.

2.5.1. This two-division format and number of teams in each division may be modified or renewed subject to annual review.

Subject to the findings of the annual review and the performance of teams at the end of each season's League, the Swiss Netball Committee retains the right to place teams in divisions for the following season's League. However, the League will follow the principle of Promotion and Relegation in-between the two (2) divisions.

- i. At the end of each season, the team ranking at the bottom of the table of the Matterhorn division will be moved to the Monte Rosa division for the following season and the two (2) teams ranking at the top of the Monte Rosa division will be promoted to the Matterhorn division for the following season.

2.5.2. If a new team enters the League, they will automatically be assigned to the Monte Rosa division, unless they feature three or more current representatives of the Swiss Netball National Squad.

2.6. The Swiss Netball U15 National Junior League Divisions

2.6.1. The Swiss Netball U15 National Junior League is played without divisions until such time as there are eight (8) or more participating clubs.

3. QUALIFICATIONS AND ENTRY

3.1. Entry to the Leagues shall be accepted by any Netball Club which is a Member of Swiss Netball, and which is up to date in the payment of its annual membership fees. Membership fees are due by 31st January each year (Article 16 of the Swiss Netball Statutes). Any Netball Club owing money to Swiss Netball is ineligible to participate in the Leagues until all monies owed have been paid in full.

3.2. Entry to the Leagues will be determined by the Swiss Netball Committee or the delegated Organising Committee, at its absolute discretion, subject to its reasonable application of the rules and regulations laid out herein and having due regard to the playing standard of teams which wish to participate.

3.4. League Invitations

- 3.4.1. In the spirit of supporting the development of netball across Swiss borders, the Swiss Netball Committee may extend an invitation to Netball Clubs across Swiss borders who are not participating in their own country's National Leagues. Invitations will not be extended automatically, but on a case-by-case basis following each annual review and subject to availability. In this instance, the participating Netball Club(s) will need to be a Member of Swiss Netball (Regulation 3.1) and subjected to all current rules and regulations, including Individual Membership Licence (Regulation 3.4).

Failure to pay the penalty fee within seven (7) days may also result in disqualification from the Leagues.

3.6. Entry Fees

Swiss Netball is entitled to charge an entry fee to the Leagues. Leagues entry fees for all teams entered by a Netball Club must be paid to Swiss Netball no later than seventy-two (72) hours before that Club's first match of the season.

- 3.7. By entering a team in the Leagues, Netball Clubs agree they will abide by these rules and regulations and that they are able and willing to fulfil the costs and commitments of participation in the Leagues.

3.8. Squad Registration

- 3.8.1. All participating Netball Clubs are required to submit a list of the names of players affiliated to their Netball Club for each team wishing to play in the Leagues and their year of birth at the time of team registration. There is no limit to the number of players a Club can register on this squad list.
- 3.8.2. Only registered players on the squad team list may play in the Leagues. Proof of affiliation can be requested at any time and all players are expected to be affiliated to their stated Netball Club as a Swiss Netball Individual Member Licence holder.

- 3.8.4. Netball Clubs may enter multiple teams in the Leagues. Players are only allowed to play for their registered team during the year in the respective League. There will be no allowance for a player(s) from one squad team registration list to play for another team in the same League. If a team is unable to field and start the match with five (5) players, the match will be forfeited by that team.
- 3.8.5. Players in a higher division cannot play in a lower division match. However, players in a lower division can be borrowed for a team of the same Netball Club in the higher division. If the player is borrowed more than once, they will move to the team in the higher division.
- 3.8.6. If a team is reduced to seven (7) players or less through illness or injury supported by a medical certificate or under extreme circumstances (this will need to be demonstrated) a team may use one or more (as needed) of their registered Club squad players. Confirmation in writing (email is the preferred method) is to be sent to operations@swissnetball.ch together with supporting documentation. The Swiss Netball Committee reserves the right to restrict the number of entries in future years should it be deemed that the number of Leagues entries exceeds capacity
- 3.8.7. Netball Clubs may only register up to twelve (12) players per team for each match entered and only players affiliated to a Netball Club can play for that team. The names of the twelve (12) players must appear on the relevant team registration sheet for each match which must be submitted to operations@swissnetball.ch seven (7) days in advance of the Leagues' match dates. Additional registrations or alterations to the team registration and scorecard will not be accepted once the match has commenced.

3.9. Transfer of Players

- 3.9.1. Transfer of players will only be permitted if the player in question relocates to another canton. The player must send a request and justification in writing via email to admin@swissnetball.ch.

3.11. Netball Club officials will be held responsible for the Overall Conduct (behaviour, demeanour and actions) of all members associated with the Club, including players, associated officials, volunteers and spectators. Netball Clubs are responsible for ensuring that all of their players, associated officials, volunteers and spectators have all been made aware of and adhere to the Swiss Netball Code of Conduct.

- 4.3. Depending on the number of teams entered, each team may play each of the other teams up to twice. Swiss Netball will communicate the match schedule ahead of the start of the Leagues
- 4.4. It is the responsibility of Swiss Netball to conduct a risk assessment for each venue in advance.
- 4.5. Teams are responsible for arranging their own travel to matches, at their own expense, and should allow sufficient travelling time to cover any unexpected delays.

5. MATCH REGULATIONS

- 5.1. All matches shall be played to the [World Netball Rules of the Game](#) currently in force at the time, except where specific Leagues rules and regulations may apply.
- 5.2. No team may start a game with less than five players. If a team cannot field at least five players, it will forfeit the match (Regulation 3.7.4). For the avoidance of doubt, if it is clear to the Swiss Netball Committee representative that a team has been unable, by the end of the specific league round to field five players to play a match in accordance with this regulation, that team will be deemed to have forfeited.
- 5.3. There will be no allowance for re-scheduling of matches. If a team is unable to take the court at the scheduled time for any reason, the match will be deemed to have been forfeited by that team.
- 5.4. Match Timings
 - 5.4.1. Matches will consist of four quarters, each quarter of fifteen minutes, and there will be an interval of four minutes between the first-second and third-fourth quarters, and a half-time interval of eight minutes.
 - 5.4.2. A technical official will signal the commencement of timing as well as the end of each quarter to the umpires.
- 5.5. Match Stoppages
 - 5.5.1. In extreme circumstances and in consultation with the Swiss Netball Committee representative, the umpire may decide to abandon a match, for example, following a serious injury, if the safety of players and / or officials is considered to be at risk. In this instance, Swiss Netball would allow this match to be re-played at a later date. Swiss Netball accepts most netball injuries i.e., knee, ankle, etc., fall outside this exemption Regulation.
 - 5.5.2. An Accident / Incident Report must be duly completed by the team concerned for any accident or incident, on or off the court, using the Accident / Incident Report Form (annexed). A copy shall be provided to the Swiss Netball Committee along with the team registration and scorecard within three (3) days of the match. This procedure will be followed for all injuries and accidents, regardless of whether or not medical treatment is given immediately after the end of the match and send via email to operations@swissnetball.ch.
 - 5.5.3. If a player is suspended from a match or ordered to leave the court and take no further part in the match, that player and her coach / captain will be required to file an incident report (annexed) immediately after the end of the match and send via email to operations@swissnetball.ch.

5.5.4. In the event of a player suspension, or if a player is ordered to leave the court and take no further part in the match, both umpires are required to complete the Player Suspension and Sending Off Report form (annexed) immediately after the end of the match and send via email to operations@swissnetball.ch.

5.6. Balls and Bibs

5.6.1. Swiss Netball will provide at least two (2) size five (5) netballs for the match.

5.6.2. All players must wear positional bibs and teams must have a spare set in a different colour in case of a clash of colours.

5.6.3. In the event of a clash of colours, a toss of coin between the captains will decide which team retains their original colours.

5.7. Players are reminded that they may not wear anything that could endanger themselves or other players. Before the start of each match, captains must ensure that all of their players have removed all jewellery, including friendship bands on wrists and ankles, and all earrings and studs on any part of the body (entire ear, nose, etc.). Without exception no taping of ears is accepted.

6. LEAGUE SCORING

6.1. The League competition tables will be compiled based on points awarded to each team as follows:

- 5 points for a win
- 3 points for a draw
- 2 points if within 5 goals of the winner's score, (i.e., 2 points will be awarded for a result of 25–21, whereas 1 point will be awarded for a result of 25–20)
- 1 point for scoring more than 50 per cent of the winner's score
- 0 points for 50 per cent goals or less of the winner's score

6.2. Should a team have to forfeit a match, this will be recorded as a loss with 0 points awarded. The opposing team will be awarded a 15-0 win and 5 points.

6.3. To determine the winners of the League divisions where two (2) or more teams are level on points:

6.3.1. Goal average (goals for divided by goals against) shall be used to determine their relative positions, i.e., the team with the higher average score over the course of the competition stage shall take precedence.

6.3.2. In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded.

6.3.3. In the event that the goal difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence.

6.3.4. In the event that neither goal average nor goal difference nor goals scored can differentiate between the teams; aggregate score in the previous matches between the teams will determine the winner; if the winner is still undetermined, away goals of their matches will count as double points. If still undetermined the teams will share the title of winner of that League division for the relevant year.

6.3.5. In the event two (2) or more teams have equal points at the bottom of the Matterhorn division or the top of the Monte Rosa division, a play-off match between those teams will determine who is moved up or down.

6.3.6. Where one of the teams has its goal average, goal difference or total number of goals scored affected by conceded fixtures, then all goals scored by and against conceding team(s) in all fixtures shall be omitted from the calculations of the team's level on points. For example, if one team received 5 points for a conceded fixture, then the goals scored by and against all teams' level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated.

7. REGISTRATION OF RESULTS

7.1. Both participating teams in a match are required to complete one official Swiss Netball score sheet (annexed) at the end of their match, using the team registration and score sheet template available from the Swiss Netball Committee.

7.2. The Swiss Netball score sheet for each match must be checked and signed by both technical officials, both Netball Club coaches and both umpires. Once the official score sheet has been signed no dispute can be logged.

7.2.1. In the event of any discrepancy where the technical officials, umpires and teams cannot agree on the score, both teams will forfeit the match and no points will be awarded and fifteen (15) goals against will be registered to both teams.

Failing that, the next best-qualified umpire may be used. If the two (2) teams cannot agree on an alternative, the team with no umpire will forfeit the match and this will be recorded as a loss.
