

ATHLETE AGREEMENT

ATHLETE RESPONSIBILITIES:

Introduction/General

Athletes in the Swiss Netball National Squad are expected to uphold high standards of behaviour, appearance and respect on and off the court. Athletes are furthermore expected to respect and uphold all of the responsibilities outlined in this agreement, and to uphold and sign the attached Athlete Declaration.

Vision

Swiss Netball's vision of training a **Junior Squad** which will include **U17s and U19s** and a **Senior Squad** which will include **U21 and Open athletes** is going to be put into practice. We aim to enter Netball Europe U17, U21 and the Open Team competitions offered by Netball Europe and other events when available and appropriate. Please note: An athlete in the Junior Squad may also be selected for the Senior Squad if deemed appropriate and within the age banding regulations. This also applies to an athlete in the Senior Squad.

Code of Conduct

The Athlete will abide by Swiss Netball's Code of Conduct for Athletes at all times (see Annex I).

Performance Objectives

The National Squad is led by a coaching team, working to a Performance Plan and established Performance Objectives, under the overall responsibility of the Head Coach. The coaching team will communicate aims and objectives to each Athlete, which fit into the broader Performance Plan, and the Athlete must work to the best of her ability to fulfil these objectives.

The Athlete agrees to take on board feedback given by the coach(es) and to demonstrate learning and improvement by putting any such feedback into practice. Feedback may take place in a group setting or individually, and the Athlete may be asked to attend short meetings to periodically review progress.

Fitness, Injury & Illness

The Athlete agrees to use her best efforts, and to work with the Swiss Netball appointed coaches where appropriate, to obtain and maintain the highest possible level of health and physical fitness required for consistent training and competition as a National Squad athlete.

The Athlete agrees to notify the Swiss Team Manager(s) or Swiss Netball Coach(es) as soon as the Athlete becomes injured or ill during an event or competition or at other times if the illness or injury interrupts the Athlete's training.

The Athlete must carry personal insurance against accident and/or injury to themselves and others. Swiss Netball does not accept any liability for accidents and/or injury that may occur. Furthermore, Swiss Netball recommends that the Athlete is adequately insured in case illness, injury or other, prevents her from being able to attend a competition/tour at the last minute so that she can claim back associated costs including and not limited flights and hotel accommodation.

Managing Differences

The Athlete and parents acknowledge the importance of dealing with disputes openly, honestly and fairly as soon as they arise and shall notify the Team Manager of the full details of any dispute at the earliest possible opportunity.

Clothing & Equipment

The Athlete agrees to wear the designated clothing and use designated team equipment as required by Swiss Netball.

Umpiring

All National Squad athletes are expected to attend the Europe Netball C Award Theory course and sit the online written assessment (if not an active qualified umpire) and assist at a minimum of 1 event per year. The cost for this is CHF 100.-. If an athlete wishes to continue the pathway to becoming a fully qualified C Award umpire she will need to complete the Practical assessment which will be at an additional cost to the athlete.

Training and Competition Participation

The Athlete agrees to attend sessions as outlined below and will be punctual for all sessions:

17 October 2021
13-14 November 2021
11-12 December 2021
15-16 January 2022

4-6 March 2022 Europe Netball U17 Competition
3 April 2022
24 April 2022
7-8 May 2022 (TBC)

Anti-Doping

The Athlete will remain fully compliant with all applicable anti-doping rules (WADA, Swiss Netball, World Netball, and of the organiser of any event in which the Athlete participates). It is the Athlete's personal responsibility, which she cannot delegate to anyone else, to ensure such compliance.

The Athlete must ensure that any medication or substance taken in any form does not contain any substance prohibited for use by the Anti-Doping Rules¹.

The Athlete must ensure that she advises and keeps Swiss Netball (through the Team Manager) advised of all medication, whether prescribed or not, being taken by her.

Eligibility

To be eligible for the National Squad and to represent Switzerland in international competitions, athletes must hold a Swiss passport/ID and/or have been resident in Switzerland for 2 years or more prior to the competition with proof such as a residency permit.

Swiss Netball reserves the right to consider exceptional athletes who will become eligible in a forthcoming season, provided that there is a commitment to the Squad in the long-term. N.B. In any such cases, the athlete will be able to train and participate in match play, but will not be eligible to represent Switzerland in an official team until she meets the eligibility criteria.

Proof of eligibility (or forthcoming eligibility) shall be held on record by Swiss Netball. The Athlete is under obligation to inform Swiss Netball should this change at any time (e.g. change of residency status) and, in such cases, if the Athlete is no longer eligible for the National Squad, she must withdraw.

In addition to nationality/residency requirements, to be eligible for the National Squad, the Athlete must be clear of any ban under Swiss and WADA Anti-Doping Regulations.

Media & Photography

The Athlete consents to her performance being filmed and recorded by or on behalf of Swiss Netball whilst she is training, competing or otherwise carrying out any activity as part of the National Squad. Such films and recordings may be used by Swiss Netball for training, coaching or promotional purposes.

The Athlete agrees to use all social media in a responsible manner and not to publish or disseminate anything that might bring Swiss Netball in to disrepute.

Financial commitment

The Athlete agrees to make prompt payments to Swiss Netball to meet financial commitments related to the National Squad Performance Programme, as follows:

- An annual National Squad Programme fee, and
- Competition entry fees and/or tour fees (if selected into a representative team), and
- Trial fees of CHF 100.- (when applicable).
- Europe Netball C Award Theory course fees of CHF 100.-

The annual Programme fee is currently CHF 750.-. This includes the CHF 100.- fee for the Europe Netball C Award Theory course fee. This cost must be settled immediately when the Athlete is accepted onto the Programme before any training commences. Upon acceptance of a place in the National Squad, the Athlete must email a copy of proof of payment to the Team Manager.

No refunds will be given when an Athlete withdraws or is de-selected from the Programme.

With regards to competition entry and tour fees, the total tour fee is dependent on length of competition, destination, etc. By agreeing to be part of the Programme, the Athlete agrees to pay these fees if selected. Athletes are encouraged to individually approach their local club, commune or canton for assistance with these costs.

If the Athlete finds herself facing financial difficulty, she will notify the Team Manager, who will explore whether she is eligible for hardship funding (limited).

Termination

Continued participation in the National Squad is dependent upon satisfactory performance by the Athlete and conformance with programmes, reporting requirements, policies, procedures and reasonable requests of Swiss Netball.

The National Squad coaches will conduct regular reviews, in which they will take into account the above (and any other relevant) factors, in order to determine whether to continue, suspend or terminate an Athlete's participation in the National Squad.

The Athlete shall be entitled to terminate her place in the National Squad at any time subject to discussing her intentions with the Head Coach and then submitting her withdrawal in writing (via post or email) to the Team Manager. All financial commitments must be met in full before withdrawal, and all attempts should be made to ensure that the timing of withdrawal avoids negatively impacting on plans in place for upcoming competitions. If the athlete has already committed to attending a competition, she should make all efforts to attend.
